Phoenix Rising FC Stadium

Julian Delgadillo Castro Fun Run

We are honored to name the Annual Fun the Julian Delgadillo Castro Annual Fun Run. Julian was a player of our Phoenix Rising Community who passed away unexpectedly in 2023.

His spirit epitomized all things that we hope for in our Rising players with an infectious spirit, desire to improve and an incredible teammate.

Mission

Phoenix Rising FC Charities supports the development of student athletes in our community. We focus on the whole athlete, with emphasis on character, teamwork, commitment and self-confidence. Contributions made to the Foundation go directly towards youth player scholarships and program development in Arizona.

Who You Help

Our organization provides financial support to thousands of players, and this year we're proud to say we'll raise over \$300,000 in awards for deserving athletes. A prime example of our efforts is Ansu Kanneh.

Ansu was able to play with Phoenix Rising at the Youth level. His success there with the help of your generosity saw Ansu break into Phoenix Rising's professional team, eventually landing a scholarship to play at Grand Canyon University.

Sponsors

Join us as a sponsor for our Holidash Fun Run! This is a great opportunity for businesses and individuals to gain exposure while giving back to the community. With your help, we can help make a difference of the lives of our youth for years to come.

Let's team up to make this event a success and benefit our youth players!
